Indicative from the figures above, total sales of the company increased by nearly 43.73% as compared to corresponding period. Gross profit computed Rs. 93.894 million as compared to Rs. 59.535 million in corresponding period.

Review of Operations and Future Prospects

Profit after tax of the company in quarter ended September 30, 2021 is Rs.3.682 million as (corresponding period loss after tax: Rs. 42.433 million). The main reasons for the recovery of losses and profitability are cost controls and focus on efficient operations.

Our industry is facing multiple challenges both internally and globally e.g. increasing production cost and a note of caution is with respect to high energy cost along with shortage of gas, electricity and general inflationary trend. However, the management is committed towards adopting the best corporate governance policies and procedures.

Acknowledgment

We are grateful to the management and employees of the Company for their hard-work and dedication. We also express our gratitude to our shareholders, bankers, suppliers and valued customers who cooperated with us throughout the period.

For and on behalf of the board
